### 2024-2025 Five-Year-Old Kindergarten Enrollment Begins Soon

Watertown Unified School District will be starting enrollment for our Watertown Unified School District Five-Year-Old Kindergarten Program on Monday, February 5<sup>th</sup> at 10:00 AM. Enrollment will be **online** at [www.watertown.k12.wi.us](http://www.watertown.k12.wi.us). If you have a child who will be turning 5 on or before September 1, 2024, he or she is eligible for our five-year-old kindergarten program.

The Watertown Unified School District is a high-quality school district. We have five elementary schools: Douglas, Lebanon LEAP, Lincoln STEM, Schurz Dual Language, and Webster, which offer a comprehensive curriculum to meet the individual needs of our learners. WUSD also offers eCampus Academy in the elementary grades. eCampus teachers and parents create an individualized learning plan for the student with a combination of comprehensive digital and hands-on, print-based curriculum that supports "school at home". We offer an extraordinary 4K-12 education. We also are excited to offer a Dual Language program at Schurz Elementary School, STEM programming at Lincoln Elementary School, and Environmental and Agricultural programming at LEAP/Lebanon Elementary School. For more information about all of our outstanding elementary schools, please see the attached information.

If you do not have online access, you can make an appointment at the Educational Services Center at 111 Dodge Street from 7:45-4:30 Monday-Friday.

Elementary principals will determine school placement and notify you in late spring. Please let us know your plans no later than March 1 for planning purposes.

If you have any questions, you can contact us at 920-262-1490. We look forward to welcoming your child to the Watertown Unified School District!
