Dear Parents and Guardians,

The Franklin Township Parent Teacher Association is excited to encourage your child to participate in this year's New Jersey PTA Reflections Program! This year's program theme is titled "*I am Hopeful Because...*", focusing on opportunities for students to express themselves through their artistic talents and abilities. As noted on the PTA Reflections website:

## Explore the Arts and *Express Yourself*

National PTA has a long-standing commitment to arts education. The Reflections program provides opportunities for recognition and access to the arts which boost student confidence and success in the arts and in life.

Each year, over 300,000 students in Pre-K through Grade 12 create original works of art in response to a student-selected theme. This 50+ year-old program helps them explore their own thoughts, feelings and ideas, develop artistic literacy, increase confidence and find a love for learning that will help them become more successful in school and in life.

If you feel that your child would be interested in participating in this wonderful program, please complete the attached Entry Form. **All entries must be submitted by December 1, 2023.** For questions regarding details about the program, contact Ms. Jacqueline Smith, FTS Art Teacher.
