February 2024

Dear Parent or Guardian:

We are excited for your child to begin the next chapter of the educational journey with us and become part of the Warren Hills Regional School District. It is time to begin this process by completing important paperwork that will help expedite the process of registering your child and will allow us to begin to build their 7<sup>th</sup> grade schedule. As part of the registration process for incoming seventh graders, **we are asking that you complete the Student Information Packet that will be mailed home shortly.** You may either drop off the packet at the Middle School between the hours of 8:00am-3:00pm or you may mail the packet back to the school at 64-66 Carlton Avenue, Washington, NJ 07882. **Please return all packets no later than February 28, 2024.**

Your son/daughter's schedule will consist of a lunch, core curriculum courses, and elective courses. The required core curriculum courses are listed below and will automatically be added to their schedule. Additionally, students are asked to request elective and world language courses that may interest them for next year. A complete list of courses and their descriptions can be found in our *2024-2025 Warren Hills Regional School District Course of Studies*, which is located [here](#). While there is never a guarantee that they will receive their first choices, it is an important first step in helping us to build their schedules. Students who do not have their elective and world language courses picked will have courses chosen for them. The course selection form can be completed here and may be done before receiving the registration pack: [7<sup>th</sup> Grade Course Selections](#).

### **Seventh Grade Core Curriculum**

English Language Arts

Science 7

Geography and Culture

Health & Physical Education

Mathematics 7 or Accelerated Mathematics

We kindly ask that both of these forms be completed **no later than Wednesday, February 28, 2024.** Thank you in advance for your attention to these matters. Should you have any questions about scheduling, please contact the Middle School Guidance Office at 908-689-0750 extension 2048.

Sincerely,

*Christine Hough*
