

STUDENT PROGRESS CENTER

WEBSITE: services.edgear.net/progress

First Time User

- Select “Register a New User”
- Complete step-by-step information
 - Use the drop down menu to select the relationship to the student. (Information must match the date in the school’s database.)
- ***PSN: last 5 digits of students Social Security Number***

Current User

- **NOTE:** If you had a log-in last school year, that log-in will still work this school year!
- Username and Password will remain the same.

Linking Multiple Students

- Select “Make Selection” - top right (computer) OR drop-down menu - top left (mobile)
- Select “Link students”
- Complete student information
- Select the student

Information selected must match the data in the school’s database for each student.
