HCS Parents of 10B and 11A Classes:

Good morning. We wanted to send an update about a change that will occur next week for your child's Algebra II class. We are very grateful to our current faculty member Mrs. Dawn Miller who stepped in to teach the class for this first month of school. With the amount of high school math preps and classes taught by our high school math teachers, we have been in need of a part-time math teacher for this department. We have recently hired Ms. Leslie Bourdier for the part-time math teacher position. Ms. Bourdier is a retired teacher from Terrebonne Parish School District who has over 30 years teaching experience and is certified to teach Algebra II. We are very happy to welcome Ms. Bourdier to the Warrior Family! She will begin teaching the classes on Tuesday. Please let us know if you have any questions as we make this transition. Blessings!

Sincerely yours,

HCS Administration
