7-12 Parents,

I am writing to inform everyone of a policy change that went into effect at the last Board of Education Meeting. Changes have been made to Policy #5103. This policy deals with the Extracurricular Activity Philosophy. In the code of conduct part of the policy, adjustments were made that had to deal with the drug and alcohol policy.

A student's first offense to the drug and alcohol policy will now result in no participation in extracurricular activities for 21 calendar days. If the student self-reports the offense, the time will reduce to 14 calendar days.

If you would like to read more about the policy, you can access the updated Secondary Handbook on the Pender Public Schools website under the 'Students' tab on the homepage. The policy starts on page 76 of the handbook. If you would like a paper copy, please contact the school office.

Sincerely,

Luke Hoffman
