*Schedule subject to change by SHS Administration.*

### Notes:

- Classes that meet every day for the year and every day for a semester must report for the exam period.
- Students who arrive to school before or during a period that does not have an exam will report to the cafeteria until their next exam. Students must be supervised by a faculty/staff member at all times. If a student is not with a faculty/staff member, they should be in the cafeteria.
- Students who would like to or need to stay until 2:12 pm on exam days may utilize the Learning Commons for quiet study or participate in the offered optional programming (more info to follow).
- School cancellations during the exam schedule will not impact the order of the exams. (For example, no school on Wednesday means Wednesday exams now move to Thursday, etc.) A delayed opening will cause the schedule to be modified by the length of the delay. For example, a one-hour delay would cause the first exam to begin at 8:35 with exams ending at 12:30 that day.
- School cancellations in the days leading up to exams will result in a loss of that day of the cycle.
- Students must only be in attendance for their exam periods.
- Students absent for an exam can make up an exam but credit will not be issued for the exam unless the absence is excused by the SHS Administration. Students must submit documentation to the main office within 2-days of the absence for an absence to be considered for excusal. Please see the student handbook for the attendance policy.
- There will be regular breakfast service (up to 7:30 a.m.) and lunch (11:15 a.m.) will be served.
- Wednesday, January 24th, will be the last day of Term 2/Semester 1.
