

WELCOME TO CENTRAL BAND PROGRAM

Hello, my name is Thomas Baione, and I am the band director at Central Elementary School. I have taught in the Lake Forest School District for the last 15 years as the band director at Chipman Middle School, and 2022-2023 school year at Central Elementary School. I have taught kindergarten through twelfth grade in the public-school systems for twenty-five years. I have taught students from ages six to eighty privately for over thirty-six years. I am proficient in teaching woodwinds, brass winds, percussion, and strings, including guitar and bass. I have been a professional bassist for more than thirty years and have traveled the United States and Europe as a performer.

I am looking forward to working with the Central Elementary Band program and teaching young minds the thrill of music!

Sincerely,

Thomas Baione
