

Coming to School?

See You in Class!

- ☒ Have a runny nose or a little cough, but **no other symptoms**
- ☒ No fever-reducing medicine for 24 hours, and no fever during that time (temp. of 100.4 or higher)
- ☒ No throwing up or diarrhea for 24 hours

Heading to school! What should I know?

A day of missed school is a lost opportunity for social development. By coming to school **every day they're not sick**, your child is gaining social skills that will land them their first job as an adult.

- ✓ *Time Management*
- ✓ *Collaboration*
- ✓ *Problem Solving*

Best to Stay Home.

- ☒ Temperature higher than 100.4 (with or without medicine)
- ☒ Persistent cough
- ☒ Throwing up or diarrhea
- ☒ Eyes are pink and crusty
- ☒ Instructed by doctor to isolate from others

My student is staying home. What should I do next?

- 1 Notify the school by phone or email **before 9am** on the day of the absence (if possible).
- 2 Repeat this checklist every morning. We hope to see your student back soon!
