

Greetings Lake Forest Families!

This is the Lake Forest School District calling with an important update. We are excited to share that our new Student Information System, **Infinite Campus**, is now live and ready for parent use.

Parent Portal Access:

Invitation emails with instructions for creating and activating your Parent Portal account have been sent to all parents with an active email address on file. Please check your inbox—and your junk or spam folders—for an email from

announcements@lakeforestde.mg.infinitecampus.org. The email contains a personalized link that expires, so be sure to activate your account as soon as possible.

Transportation Information:

Once you log into the Parent Portal, you will also find your child's transportation details for the 2025–2026 school year. To view this information, click the triple bar menu at the top left corner of the page—or, on some versions, select the *More* tab—then choose *Transportation*. There you will see your child's bus number, pick-up and drop-off times, and stop location.

While transportation details will also be available at your child's "Welcome Back to School" events, we encourage you to use the portal for the most up-to-date information. Please note:

- Any transportation changes must be communicated to your child's school **by 3:00 p.m. on Thursday, August 21st** in order to be in place for the first day of school.
- Changes may take up to 48 hours to appear in the Parent Portal.
- Minor adjustments to pick-up and drop-off times may occur prior to the first day. During the first week of school, please allow a 10-minute window before and after the scheduled stop time as our drivers work through their routes.

Thank you for partnering with us to stay connected and informed. We appreciate your patience and support, and we look forward to a great start to the school year!
