Lottery & Selection Process

The selection committee will meet to review and discuss the incoming freshmen cohort. Before the selection process begins, all applications will be compiled and reviewed. Student conferences will be scheduled prior to the selection process. EC committee (EC Administrator, EC Counselors, teacher representatives and/ designated staff) will hold student conferences in order to gain more insight as to student expectations of our Early College Program and to learn about their short term and long-term goals.

Students will earn points based on a rubric that will consist of the following:

Economically Disadvantaged – 1 point

Student with Disabilities – 1 point

English Language Learners – 1 point

Teacher recommendation – 1 point

Essay responses submitted – 1 point

Student Conference – 1 point

Students that have sibling applying – 1 point

Committee will take anecdotal notes and use student response data as qualitative pieces of information.

Selection committee will meet to compile a selection list based on rubric and student interviews.
