

Edcouch-Elsa Early College High School

2024 – 2025 Academic School Year

Recruitment Week!

By: Mary Garza, ECHS
Associate Principal

What is our Purpose?

Purpose: To prepare our students to be college ready and begin taking college classes as early as 9th grade, their Spring semester.

Goal: To provide our students the opportunity to earn college credit by earning an Associates degree while in High School at NO COST to the student or family.

We make
College
possible for
all students!

What are the Benefits?

Students take
advanced classes:
AP, Pre-AP, Honors
and College Classes

Students can can
earn up to 60
college credit
hours while in High
School

Students can
get a head
start on their
future careers

Who should apply?

- If you are motivated to learn & excel
- If you are willing to start taking college classes beginning 9th
- If you are ready to work hard, study and do whatever it takes to pass your TSI exam
- If you will prioritize “academics” above all
- If you attend school everyday in order to be successful and pass all of your high school classes

$$1 + 2 = 3$$
