

## Oak Park Elementary

### Vision

OPES is to prepare and motivate our students for a rapidly changing world by instilling and a respect for core values.

### Mission

OPES will produce learners who take responsibility for their actions and become life long learners.

### Beliefs

Students will have success for today and be prepared for tomorrow. Our students will be provided with diversified experiences and achieve readiness for college and career and succeed in a safe and caring environment.

#### Student Learning

##### Objectives

- All students will demonstrate an increase in reading proficiency as a benefit of coaching cycles, PLC work, and stronger Tier I instruction.

##### Critical Initiatives

- Teachers will implement professional development learning on the Science of Reading, (LETRS training)
- Teachers will participate in coaching cycles focused on the foundational components of reading as outlined by the Alabama Literacy ACT.
- Teachers will document Student Reading Intervention Plans for students who consistently demonstrate weakness in critical
