## Principal Message

Welcome Fall! I am so excited about all of the learning and activities we have planned for the year. Our wonderful PTA has planned a fun evening for our families at our Fall Carnival Circus. We are also excited to start our fundraiser this week! We will be selling World's Finest Chocolate. This fundraiser has done well for us and we appreciate your participation. Why do we have fundraisers? Fundraisers help with the cost of field trips and super activities at the end of every month. We also use it for student and teacher incentives, our student awards, and special treats for both students and staff. It is also used for the cost of assemblies and our family activities. There are a few changes from previous years. Prizes will be given to students at the end of the fundraiser. Students will still be able to earn fun fidgets and we have a school goal that all students will be able to participate in. Please make sure and check with your student for more information. I feel it is a privilege to be the principal of such a great school. It really is my dream job and I love this community. If you ever have a concern or question, please let your child's teacher or myself know. Thank you again for your support! Fielding is the BEST!

-Mrs. Capener
