Principal Message

Deck the halls with Joy, December has arrived! Our school has so many fun activities planned along with hard work and learning. We have a visitor from the North Pole, a Christmas sing a long and acts of kindness galore. As we approach the end of the year, I can't help but reflect on the incredible journey we've had together so far. December is a month filled with warmth, joy, and a sense of togetherness and I am grateful for the strong sense of community that defines Fielding Elementary. I am so proud of the growth and achievements of our students. Their hard work and enthusiasm continue to inspire us! We have such great students at Fielding Elementary! I am so grateful to be the Principal of the greatest school ever! Wishing you all a joyful holiday season filled with love, laughter, and wonderful memories with family and friends.

Sincerely, Mrs. Capener

Cellphones are not allowed outside their backpacks. We will have parents come at get them. If they are lost or stolen it is not the schools responsibility. Stop bringing them!
- *Please remember to send students appropriately dressed for winter and if you can bring boots to change into for break it helps keep feet dry and less smelly.
