Principal Message

Happy New Year! I hope this message finds you rested, rejuvenated, and ready for an exciting year ahead. This month we are celebrating diversity and inclusion. Our school is a community of diverse talents and feelings. Each student, teacher, and staff member contributes to the vibrant tapestry that is Fielding Elementary. I hope to create an environment where everyone feels valued, supported, and inspired! Academic excellence remains a priority in our mission. I want to challenge all of our students to set ambitious goals and we want to help them achieve these goals. Keep up the good work in raising these wonderful little humans. As always, if you have any questions or concerns let me know. Here's to a fantastic new year filled with growth, success, and countless moments of joy! Let's make 2024 a year to remember!

Sincerely, Mrs. Capener
