It's finally looking like spring! We are very excited for our big fundraiser this month! Please be on the lookout for any paper, email, social media postings for information regarding the fundraiser. It is going to be really fun and we hope to see everyone participate. Similarly to last year's COLOR RUN, this fundraiser will be a DANCE-A-THON! Neon, glow in the dark, cool music, and a cool accessory! Everyone will get a prize big or small, we ask that you participate in as much as possible!
