

BESD KINDERGARTEN & Toilet Training

In accordance with HB 331 passed by the State of Utah Legislature, Box Elder School District will require all students be toilet trained before enrolling in kindergarten for the 2024-25 school year.

You can read more about HB 331 by clicking on **[THIS LINK](#)**

Parents of students with diagnosed medical issues or disabilities may discuss their specific needs and create a plan by reaching out to their school administration.

There are many resources available to help parents with a range of strategies, tips, and supports for parents navigating the toilet training process with their children. Here are just a few:

.....
[HealthyChildren.org](#) is the official parenting website of the AAP. They offer comprehensive guidance on toilet training, including articles, tips, and FAQs.

[Parents.com](#) Provides articles, expert advice, and tips on toilet training children

[Pullups.com](#) Offers a variety of resources including articles, tools, and guides for parents going through the potty training process.

Potty Time with Elmo is an interactive app featuring Sesame Street characters that helps children learn about potty training.

Pull-Ups Big Kid App provides tools and resources for parents, including a customizable potty training plan and tracking tools.

[WhatToExpect.com Community](#) Offers forums where parents can ask questions, share experiences, and seek support from other parents.

Children's Books for Potty Training:

"The Potty Train" by David Hochman and Ruth Kennison

"Potty" by Leslie Patricelli

"Everyone Poops" by Taro Gomi and Amanda Mayer Stinchecum

"Daniel Goes to the Potty" by Maggie Testa and Jason Fruchter

"A Potty for Me!" by Karen Katz

Toilet training is a process. Every child progresses at their own pace, so trust your child's abilities and be patient with the process. They will get there! We can't wait to teach your children his fall!
