

Registration for AP Exams

May 6th-May17th

For students taking AP courses and wishing to use the knowledge learned to receive college credit, you must take the AP exam. You may take more than one exam and you may also take an exam in a subject area where you have not had an AP course. You can contact Ms. Sepi, the AP Coordinator prior to registration with any questions.

The cost of each exam is \$103, which needs to be paid through *MyPaymentsPlus* (<https://www.mypaymentsplus.com/welcome>) by **November 9th.** Students on the free/reduced lunch program may take the test at no charge, as determined by the College Board and the State of Ohio—these students still need to go into MPP and go through the ordering screen. If an exam is ordered but not taken or ordered past the November 9th deadline, there is a \$40 penalty fee that your family will be charged, per the College Board making the price \$143 per test. Please email Mrs. D'Sidocky at kdsidocky@kentschools.net & email Ms. Sepi if you order a late test past the November 9th deadline!!!

Students: make sure that you are enrolled in your AP classroom, that is how Ms. Sepi knows to order you a test. Once you are enrolled in your AP classroom, you also have to pay using MyPaymentsPlus.

****If you know you are not taking the AP exam, please let Ms. Sepi know so she can change your testing status with CollegeBoard. Otherwise, you will be marked as taking a test.**

****Please see Ms. Sepi with any questions**

DEADLINE FOR PLACING EXAM ORDER—NOVEMBER 9th
