### Friendly Reminder

With Flu season upon us we want to keep everyone healthy. If someone in your household is sick please reach out to your Family Educator and let them know. Visit can be rescheduled or switched to a virtual visit (video or phone call).

Thank you for understanding.

PI Staff

We want to give a huge Thanks to our partners at Loving Bottoms in Galesburg.

Without their team we would not be able to help families receive diapers monthly.

We would like to share with Loving Bottoms how receiving diapers is helping you and your family so please share with your family educator, so we can pass it along..

### Mission Statement

The mission of the Prenatal to three program is to provide parents with the knowledge to recognize they are the child's first teacher. Parent's will have the awareness of their child's needs to provide quality and early opportunities to gain the skills needed to become responsible, productive citizens and lifelong learners.
