## Mission Statement

The mission of the Prenatal to three program is to provide parents with the knowledge to recognize they are the child's first teacher. Parents will have the awareness of their child's needs to provide quality and early opportunities to gain the skills needed to become responsible, productive citizens and lifelong learners.

## December Visits

With December being a shorter month due to the winter break, we are going to do our visits a little different this month. The 1st visit will be like normal and the 2nd visit will be a short visit. At the 2nd visit we will drop off diapers and a family activity bag for you to do with you kiddo's over the winter break.
