Attention – Potential Andrew-area Youth Coaches:

The 2023 –2024 basketball season is here, which means that it is time to start forming teams and getting practices scheduled. Our goal in the Andrew Community School District is to be able to support as many opportunities as possible for our students to be involved in extracurricular offerings. For this reason, I am reaching out to parents/coaches who we can support in starting or continuing youth basketball teams.

There are already some boys and girls teams that have been formed with Andrew students and students from other surrounding schools. If you are interested in starting a youth team you are encouraged to contact our superintendent, Chris Fee, if you would like any guidance on how to go about starting an Andrew team. The Maquoketa-area YMCA is a great option that allows for teams to register for league play. The YMCA league will also accept individual sign-ups for students who do not have a team to join.

We will also be working with area coaches to reserve Andrew gym time starting October 30, 2023. Below you find a questionnaire that will help me develop a schedule that tries to best accommodate everyone's preferred reservation times. As a reminder, preference will be given to teams serving Andrew students. Please answer all questions to the best of your ability and return it to me by Wednesday, October 18, 2023. After receiving requests I will develop a schedule and share it with coaches by the end of the day on Friday, October 20, 2023. After these reservations are confirmed, gym reservations will be accepted based upon availability. Please email chris.fee@andrew.k12.ia.us after October 20 to schedule gym times.

Please note that this gym reservation schedule will be in effect from October 30, 2023 – March 31, 2024. If your needs ever change during this window please notify the school so that others needing gym time can access any opening that may exist.
