

Local Wellness Policy Progress Report

School Name: Andrew Community School

Wellness Policy Contact: Chris Fee

This tool is to document progress in meeting the goals written in the district's wellness policy at each school building. Document steps that have or will be taken to accomplish each goal. In the "Contact Person" column identify the individual who can report on the goals' progress. The items that are completed at the district level should be pre-filled to inform all school staff of the implementation status of those goals. Add more lines for goals as needed.
