# FOOD SERVICE: CONTINUING EDUCATION

In the heart of Mt. Healthy City School District, a team of individuals ensures that every student's journey through nutrition is a healthy and nourishing one. Among this passionate group, there's a special reason to celebrate, as several team members have reached remarkable milestones.

Stephanie Huber, a Unit Manager at North, recently achieved a significant accomplishment by becoming Level 1 Certified through the School Nutrition Association. Her dedication and commitment to enhancing the nutritional experiences of our students shine brightly.

What makes this achievement even more remarkable is that Stephanie is part of a thriving community of 14 food service employees within our district who have earned this certification. Remarkably, this group represents more than half of our Food Service team. Here's a list of all the extraordinary ladies who have achieved Level One Certification through the School Nutrition Association:

# FUTURE ENGINEERS IN ACTION!

Yesterday was an exciting day at our Jr/Sr High School as the UC Engineering Department, in collaboration with G.E. "Next Generation" Engineers, paid a special visit. They brought along an incredible hands-on activity that put our students' critical thinking, teamwork, and innovation skills to the test!

In the heart of the media center, teams of students embarked on an engineering adventure like no other. Armed with straws, cardboard, and their creativity, they set out to design and construct windmills.

The students collaborated, combining their unique ideas and perspectives to create something truly remarkable. Guided by professional from UC, GE, and our own staff our students tackled challenges and improved on their designs.

Thank you, UC Engineering Department and G.E. "Next Generation" Engineers, for inspiring the engineers of tomorrow as well as the Mt. Healthy staff that made the event possible.

# CELEBRATING CULTURAL DIVERSITY

We are excited to share a vibrant celebration of diversity at Mt. Healthy CSD! In honor of Hispanic Heritage Month, some of our wonderful Guatemalan students donned traditional cultural attire today.

We're happy to have had the opportunity to capture the essence of this cultural celebration. A big thank you to students Cindy Lopez Orozco, Yaquelin Ramirez Miranda, and Milvia Ramirez Miranda for participating in this event. Their enthusiasm and positive attitude highlighted their exceptional attire.

We also had the pleasure of interviewing Mt. Healthy's very own Lisa Rivera-Santiago, Bilingual Aide, about the day and the meaningful journey that led to this celebration. This celebration reminds us of the diversity that enriches our district. We're grateful to our students and staff for sharing their cultural heritage with us. Together, we celebrate the mosaic of traditions and backgrounds that make us stronger as a community.

# MT. HEALTHY PRIDE ON THE NFL STAGE!

Last night's NFL showdown between the Detroit Lions and the Kansas City Chiefs was extra special for us, as it featured not one but TWO Mt. Healthy Alumni showcasing their talent!

David Montgomery, representing the Detroit Lions, delivered an impressive performance with 74 yards on 21 attempts and a touchdown. Meanwhile, Bryan Cook, proudly donning the Chiefs jersey, made his presence known with 7 combined tackles and 3 assisted tackles.

Seeing our alumni excel in the NFL brings great joy to our school community and athletic department. They continue to make our school district proud, and we're thrilled to watch their careers flourish.

# **EARLY LEARNING CENTER HONORS LEGACY WITH PLAYGROUND DEDICATION**

**On Thursday, September 14, 2023, the Mt. Healthy City School District gathered with immense joy and pride to dedicate the newly renovated playground at the Mt. Healthy Early Learning Center. The event highlighted the power of community, unity, and the enduring spirit of giving back.**

**The ceremony commenced with the heartfelt words of ELC Principal Jayne Sayers-Goedde, who spoke passionately about the significance of the playground for the students. Principal Sayers-Goedde emphasized the role it plays in nurturing young minds, fostering growth, and providing a space for boundless imagination.**

**Following her inspiring address, the stage was set for a heartfelt conversation with key partners in this venture, Ron Riedy, Sarah Evans, and Amber Flannery of the Kenny Kiffmeyer Foundation and Eric Schmidt, CEO of Playground Equipment Services (PES). Both shared their deep commitment to making a positive impact on the lives of students and the community as a whole.**

**Ron Riedy, on behalf of the Kenny Kiffmeyer Foundation, underscored the importance of philanthropy as a tribute to the late Kenny Kiffmeyer. His words echoed the essence of giving back to a community that holds a special place in their hearts.**

**Eric Schmidt, representing PES, expressed immense pride in their contribution to the school district. He conveyed his enthusiasm for providing state-of-the-art equipment that enhances the educational experience of Mt. Healthy students.**

**The dedication ceremony also included touching tributes to the memory of Lori Moore, a beloved figure within the Mt. Healthy community. Susan Williams, Maggie Hoskins, and Doug Moore shared heartfelt memories of Lori, emphasizing her unwavering love for the school, her students, and her colleagues. They reflected on how much Lori would have cherished this dedication, as she spent countless hours watching students at recess throughout her career. The Knights of Columbus made a significant contribution with a bike set similar to the one Lori loved at Rex Ralph.**

**In a poignant gesture, Missy Horn-Holland generously donated books that the district will memorialize with placards in Lori's remembrance.**

**The students in attendance displayed remarkable behavior during the ceremony and were rewarded with immediate access to the newly dedicated playground. Principal Jayne Sayers-Goedde concluded the dedication with an inspiring message to the young Owls: "Finally, to my little Owls, you have been awesome...I want you to know that you are worthy, you are worthy of a high quality education, you are worthy of dreaming and reaching your highest potential, and you are worthy of gaining the foundation for lifelong learning. With that, I officially dedicate this playground to the students of the Mt. Healthy Early Learning Center. May it be a source of joy, growth, and inspiration. Little Owls, go play!"**

The playground dedication ceremony was a success, made possible by the unwavering support and collaboration of the Kenny Kiffmeyer Foundation, Playground Equipment Services, Knights of Columbus, family and friends of Lori Moore, Mt. Healthy CSD staff, students, and the entire Mt. Healthy community. A special thank you to Lori Daniels for orchestrating the events that led to this idea, involving key stakeholders, and coordinating the event.

This initiative showcases the district's commitment to providing a nurturing and inspiring environment for its students, and the values of unity, generosity, and the enduring spirit of the Mt. Healthy City School District.

# Be Great! Miss Less Than 8!

[www.mthcs.org](http://www.mthcs.org)

Students who have 8 or fewer absences (about one absence a month) will have about a 95% attendance rate, which is GREAT! Students who miss two or more absences each month become “chronically absent” which puts students at risk for lower achievement scores and possibly dropping out.

## No Unexcused Absences

If your child needs to be absent, please call the attendance hotline for your school or email the attendance email address (see below). State your name, your child’s name, your child’s grade, and the reason for their absence. When your child returns to school, send a note or a doctor’s note.

# Se Genial! Falta menos de 8 días!

www.mthcs.org

Los estudiantes que tienen 8 ausencias o menos (alrededor de una ausencia por mes) tendrán un índice de asistencia de alrededor del 95%, ¡lo cual es genial! Los estudiantes que tienen dos o más ausencias cada mes se convierten en “ausentes crónicos”, lo que los pone en riesgo de obtener puntajes de rendimiento más bajos y posiblemente abandonar la escuela.

## No Ausencias INJUSTIFICADAS

Si su hijo necesita estar ausente, llame a la línea directa de asistencia de su escuela o envíe un correo electrónico a la dirección del correo de asistencia (ver a continuación). Indique su nombre, el nombre de su hijo, el grado de su hijo y el motivo de su ausencia. Cuando su hijo regrese a la escuela, envíe una nota o una nota del médico.
