Responsible Office: Associate Superintendent for Operations

Staff, Contractor, Volunteer Identification

I. PURPOSE

It is the policy of the LCPS Board of Education that all school district staff, all contractors, and their employees having legitimate business on District property and all school volunteers and substitute staff shall wear identification badges before gaining access to District buildings and while conducting business on school property.

II. POSITION

A. School district identification badges are required for the following reasons:

1. To enhance building security;
2. To ensure that every staff member, school volunteer, substitute staff member, and contractor can be immediately identified at all times as employees of the school district or someone who has legitimate business to conduct on school district property; and
3. To ensure that all staff members, school volunteers, substitute staff members and contractors may be identified by responding agencies during times of crisis.

B. The Superintendent shall promulgate regulations which implement and provide guidance for this Policy.

III. REVIEW

This policy shall be reviewed on an ongoing basis in accordance with the Board of Education policy review process.
