TAYLOR
Career and Technical Center

- Taylor Career Center has partnered with EmergeSkilled to connect our students to career opportunities throughout our community and beyond.
- EmergeSkilled is an online platform designed to connect students who attend Taylor Career and Technical Center to career opportunities while providing resources to explore career pathways and prepare students for their careers and job search.
- Taylor students will have access to connect to verified companies that can provide students with opportunities for job shadows, work-based learning, part-time, seasonal and full-time jobs.
- We are looking for community businesses and organizations interested in partnering with us.
