A Note from the Superintendent

Greetings Tiger Family,

What an amazing year it has been. Once again, district history was re-written this year with football bringing home GISD’s first back-to-back Championship. Way to go boys! The bond you passed in 2022 is taking shape and the progress has been exciting. Each time you pass the high school, you can see the great work that has been done with the addition of four new classrooms. The expansions in Fine Arts and the basketball and volleyball locker rooms will be a tremendous help to students, teachers, and coaches. The addition of a full-size gym/storm shelter at the middle school will decrease transition time and increase safety and security for that campus. And finally, experiencing the design, planning and development of a new elementary coming to fruition has me excited for the students and staff that will get to learn and teach in such a great environment. It’s definitely a great day to be a Tiger!

In addition to our added state football title, tennis, golf, track, baseball, volleyball, boys’ cross country, wrestling, cheer, horse judging, twirling, and bass fishing all competed at the state level this year. Our Gunter Tiger Band competed at the Area level and One-Act Play advanced all the way to the Regional round.

While those accomplishments are extremely exciting and a great representation of the hard work and dedication put fourth each year by our kids, coaches, directors, and sponsors, I think the fact that the Elementary School brought home back-to-back UIL Academic Championships, 77 graduating seniors earned \$1,600,543 in scholarship money, and that Gunter High School students completed 1,011 hours of dual credit work are also a true testament to the work ethic and level of motivation in our kids.

The level of success within our school district is driven by students, teachers, support staff, coaches, directors, sponsors, and administrators working to support students and each other in order to achieve a level of success seen by few other districts. That is why I want to take this time to tell you THANK YOU for all the time and support you consistently show our district. None of this would be possible without the love and support you provide to our kids, faculty and staff. The more we work together, the better we will become.

Thanks again, and enjoy all our kids’ accomplishments listed in the following pages.

It’s always a great day to be a Tiger!

Scott Martindale, GISD Superintendent

To this point, the class of 2024 has earned \$1,600,543 in scholarships. Congratulations!

Carl & Gladys Kerfoot Scholarship
Gunter High School graduates are eligible to receive the Kerfoot Trust. Students need to be a district resident and attend GHS their junior and senior year or be a transfer student who attends GHS all four HS years. Students can earn \$400 a semester and then \$600 a semester once they've earned 65 hours. In total, students could earn over \$4,000 to help finance their college education.

SUPERINTENDENT'S HONOR ROLL

These students were chosen by their teachers and principal for their hard work, helpful attitudes, good character and leadership. Each student has been recognized in front of the school board and received a certificate. The students were treated to a field trip with Mr. Martindale and his Administrative team. They spent the day playing games, bowling, and eating pizza at Pinstack in Allen!

Teacher of the Year

Julie Dorcey

Julie Dorcey has made a tremendous impact on our campus in her three years at GES. She has helped students in multiple grade levels by working hard to ensure a positive learning environment for all students. You can tell the love and respect she has for her students by the way she communicates with them; always calm, always positive. Her “kid-first” attitude inspires anyone who is around her, and she sees the best in all of her students. Not only is she an asset to our students, she inspires our teachers as well. She’s willing to listen to teachers and collaborate with them to help figure out what is truly best for our students. Congratulations Mrs. Dorcey, we know that you will continue to make a positive impact for many years to come.

~ Shannon Keller, Principal

Sharon Bon

Our GMS teacher of the Year is Sharon Bon! She creates a foundation for every student to be successful and takes great pride in knowing that her students flourish after leaving her classroom. She is passionate about science and leads students to also be passionate about the subject. She explains things thoroughly and her experiments are always interesting and fun. She not only supports her students in the classroom, but can be found attending extra curricular activities to cheer them on in volleyball, basketball, football, and baseball and softball games. Mrs. Bon is an inspiration to our Gunter Middle School staff, students, and community. She exemplifies all that it means to be a dedicated educator, mentor and leader.

~ Sarah Claunch, Principal

Toni Gittens

Mrs. Gittens exemplifies the dedication, passion, and excellence that every educator strives for. She has an unwavering support for her students and a commitment to creating an inclusive and inspiring classroom environment. Mrs. Gittens you have made a profound impact on our students and community. We are incredibly proud and grateful to have you in our school. Congratulations, Mrs. Gittens, on this well-deserved recognition. Mrs. Gittens has been in education for 35 years and served Gunter ISD for 17 years.

~ Josh Barton, Principal
