

Current Event Choice Board

Name: _____

Choose one or more options from the choice board to explore more about a Current Event. Follow the directions for each option you select. Be creative and use your critical thinking skills to complete the tasks.

Creative Writing:

Write a short story, poem, or letter related to the current event.

Public Service Announcement:

Create a PSA video or poster addressing an issue related to a current event. Raise awareness, provide information, and suggest actions that individuals can take to contribute to positive change or help those affected by the event.

Research Report:

Conduct research on a current event and write a report summarizing the key facts, causes, and effects of the event. Include reliable sources and proper citations.

News Podcast:

Create a news podcast episode discussing a current event. Present a summary, analysis, and your personal opinions on the topic. Use sound effects or interviews to enhance the episode.

Create Your Own Activity

Visual Representation:

Create a visual representation, such as a poster or infographic, highlighting key information about a current event. Include facts, images, and captions to convey your understanding.

News Article Comparison:

Select two news articles on the same current event from different sources. Compare and contrast the perspectives, information, and biases presented in each article.

Timeline of Events:

Create a timeline outlining the major events of a current event. Include dates, descriptions, and the significance of each event in shaping the overall situation.

Fact or Fiction:

Choose a current event and create a fact or fiction game. Write five statements related to the event, with some being true and others false. Challenge your classmates to determine which statements are accurate and which ones are not.
