

Please read each statement carefully and provide an honest answer.

Thank you for taking the time to complete this survey. Information gathered from this survey will help us identify areas of strength and opportunities for growth. Please read the directions carefully before completing this survey. If you have children in both the MS/HS and elementary buildings, please complete 1 survey for each building your child/children attend. Thus you may complete 2 surveys answering questions related to the specific building. This will ensure that we can accurately interpret the data and develop plans.

Please circle the grade level of your student or students:
