90 %

Feel they are an important part of the school

90 %

Feel staff frequently recognize students for good behavior

91 %

Feel students are treated fairly by adults

- The atmosphere this year is a lot better.
- I love working here.

🐾 Areas of Opportunity

86 %

Feel the school promotes academic success for all students

76 %

Feel instructional materials are up to date and in good condition

88 %

Feel parents frequently attend school activities

66 %

Feel students treat each other with respect

60 %

Feel students demonstrate behaviors that allow teachers to teach and students to learn

67 %

Feel they are comfortable bringing a concern to the administration

- Many students do not follow classroom rules and have no sense of order.
- Students need more constant support and guidance to demonstrate better behavior and treating others with respect.
- Added expectations/responsibilities of staff keep multiplying.
- Loss of teaching staff this year has been difficult on morale both for students and staff.
- Not aware of staff wide procedure or practice for recognizing students' good behavior.
