**86%**

Feel the school sets clear rules and/or expectations for student behavior

**76 %**

Feel students are frequently recognized for good behavior

**76 %**

Feel the school has resources to support students social and emotional well being

- Being our first year here I am really impressed with how well the school is set up and how easy it is to talk to everyone. Thank you to all who made us feel welcome and comfortable.
- We have a current climate of rewarding and accommodating bad behaviors.
- Love how much more information the school has been communicated through various platforms.
- I feel that often the same students receive praise and we are missing an opportunity to recognize others.

### Interpersonal Relationships

**88 %**
