Educators will receive a reminder email from ISBE when it is time to renew their license. To renew, educators can log into their ELIS account starting April 1 of the year their license expires. Click the "Helpful Renewal Resources" dropdown below for step-by-step renewal instructions.

If your license requires professional development hours and/or Administrator Academy hours and the renewal option is not available, make sure all hours are met and entered on your Professional Development tab and adjust your employment status accordingly, if needed. Click **How Do I Update My Employment Status PDF Document** for step-by-step instructions. You will not be able to renew until all PD/AA requirements are met.

Please reach out if you need assistance - brandi.schwanke@riroe.com

ROE #49 is pleased to announce a new partnership with the Kane County Regional Office of Education to offer online learning through the Illinois Online Academy.

The Illinois Online Academy contains a curated collection of courses for Illinois educators through a partnership between the Kane County Regional Office of Education, Illinois Vision 20/20, Concordia University Chicago, and Virtual Education Software.

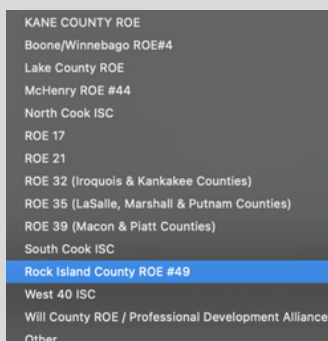

Topics may include: Instruction in the Content Areas, Differentiated Instruction, Supporting Students with Special Needs, Classroom Management, Early Childhood, Using Tech in the Classroom, Assessment, Trauma/SEL and many more.

CLASSES ARE FOR EDUCATORS, BY EDUCATORS

- Accessible anywhere
- Cover a wide variety of topics
- Can be counted toward PD hours
- Earn graduate credit for some classes through Concordia University

To take advantage of Illinois Online Academy courses follow these easy steps:

1. Click on this link: [Illinois Online Academy](#)
2. Select and begin registration for the class(es) of your choice.
3. When the next window opens - Step 2 of the registration process - go to the lower left hand corner of this Review Your Current Order page and select "Rock Island County ROE #49" in the drop down menu to indicate how you learned about the class(es).

4. Pay for classes and you are all set

SEL HUB

WHO WE ARE

We understand schools continue to struggle with attendance, discipline, and teacher burnout. Times are tough right now as parents and students look to schools for answers. The Area 2 SEL Hub wants to help! We offer assistance to educators, staff, and district leaders by providing the support and resources needed to be successful during this difficult time.

This grant-supported opportunity will provide you the support you need moving forward with your social-emotional initiatives. Once you've transitioned through the phases, our dedicated team of SEL specialists and coaches will work alongside your staff and students. We are excited to have you on board as you start your SEL journey.

OUR MISSION

Our mission is to create and support strategic and comprehensive goal-directed social-emotional learning plans that result in safe, healthy, and supportive schools. The program vision is for holistic and responsive social-emotional learning structures that generate equitable learning environments where all members of the school community feel valued, respected, affirmed, and empowered.

In order to achieve these goals, we provide free professional development, needs assessments, a resource library, access to embedded supports and coaching, and a network of individuals passionate about improving culture and climate and supporting the social and emotional needs of staff and students in the schools served by the combined ROEs in Area 2.

It's as easy as:

- Completing a needs assessment
- Identifying strengths and areas for improvement
- Creating, implementing, and supporting an action plan, which includes goals, resources, strategies, and targeted professional development

In partnership with ROE #49 Social-Emotional Learning Specialists and Coaches, this grant-supported opportunity will provide you with the social-emotional supports that your staff and students need right now!
