Spoofhound News:

Spoofhound fans and visitors alike, I want to take the opportunity to welcome you to Maryville. We hope to provide your students, families, faculty, and staff with an excellent gameday experience. We appreciate your support of our student athletes, and the sacrifices you make to ensure that high school athletics are a positive enrichment experience.

OUR BELIEF IS that athletic participation is valuable in the development of many things in a student's life, including: the pursuit of excellence through personal development and teamwork, ethical and responsible behavior on the field and off, adherence to the rules, leadership and strength of character, sportsmanship, respect for one's opponents, acceptance of victory with humility, and acknowledgement of defeat with grace. The actions of members of this department, both student athletes and coaches alike, will be those that bring honor to our Community. Thank you for your continued support and GO SPOOFHOUNDS!

Mat Beu, Activities Director

Spoofhound Athletic Booster Club

SAB is a parent organization supporting Maryville High School and Maryville Middle School activity programs.

We believe our student participants deserve the best. We strive to provide them with the materials necessary to achieve their fullest potential and have a successful season. We encourage everyone to become a booster club member and invite all members to attend our monthly meetings.
