As the parent, individual who has executed a caretaker relative educational or medical authorization affidavit, or guardian of the above named student, I confirm that this student has been instructed by his/her health care provider on the proper use of this/these medication(s). He/she has my permission to self-medicate as listed above, if needed. I agree to work with the school in establishing a plan for use and storage of backup medication. This will include a predetermined location to keep backup medication to which my child has access in the event of an asthma, severe allergy, or anaphylaxis emergency. I have provided the following backup medication: _____

I understand that in the event the medication dosage is altered, a new "self-administration form" must be completed, or the health care provider may rewrite the order on his/her prescription pad, and I, the parent/caretaker relative/guardian, will sign the new form and assure the new order is attached.

I understand it is my responsibility to pick up any unused medication at the end of the school year, and the medication that is not picked up will be disposed of.
