Parents/Guardians of BCHS Students:

Beaverhead Family Career Community Leaders of America will be sponsoring our annual Vision Zero Week, February 12<sup>th</sup>-16<sup>th</sup>. Vision Zero is sponsored by Montana Department of Transportation and they administer federal grant monies for safety programs aimed at reducing deaths, injuries, and property losses resulting from traffic crashes. FCCLA will be focusing on Traffic Safety this year with emphasis on distracted driving, impaired driving and wearing your seatbelt.

This year the students at BCHS will partake in many learning activities throughout the week including; seatbelt checks, pledge day, Vision Zero Fair, and guest speaker Pat Goldhahn. Pat will present his #buckleupblue4Lauryn Inc. Campaign that was started when his daughter Lauryn Goldhahn was tragically killed in an automobile accident when she was in high school. Pat will speak with our student body on Thursday, February 15, 2024.

We understand that this subject may be difficult for some students and their families. We ask that if you do not want your student to attend the speaker we ask that you please call the school before Wednesday, February 14<sup>th</sup> and they will not be required to attend the event. The number to the hi school os (406) 683-2361. If you have any questions, please do not hesitate to call.
