

# Warner School District Strategic Direction

September 2023 (18-24 month look-out)

District Mission Statement: “Building Character for Lifelong Learning and Achievement.”

## ***Goal 1: Student Achievement, Growth, and Development***

**Warner School District will consistently challenge students to reach their highest academic potential, while ensuring consistent attendance, active involvement in extracurricular pursuits, and a profound understanding of and commitment to the community.**

### **Objective A:**

- Launch a competitive e-sports program at Warner School to promote skill development, teamwork, and student engagement while ensuring responsible gaming practices and compliance with school policies.

### **Objective B:**

- Restructure the service-learning club to enhance its effectiveness in providing meaningful community service opportunities, fostering leadership skills, and promoting active student involvement.

## ***Goal 2: Staff Growth and Development***

**Warner School District will continue to provide highly qualified, motivated, innovative staff to motivate, challenge, and support students.**

### **Objective A:**

- Empower teachers at Warner School to effectively utilize AI tools in the classroom, thereby enhancing the overall classroom experience and supporting student growth through personalized instruction and data-driven insights.

## ***Goal 3: Facility & Financial Management***

**The Warner School District will provide safe, well-maintained facilities and equipment to promote an optimal learning and extracurricular environment.**

### **Objective A:**

- School administration and staff will research, explore, and develop a plan to enhance classroom access features, including but not limited to, wireless access on all doors, mechanical closers, and system integration.

Staff will also seek funding from grant opportunities working with local authorities, county officials and area districts. It's anticipated that this will take 3-years to complete.

**Objective B:**

- District personnel will coordinate 2 events that pertain to situational issues students are facing or will face moving forward. School administrators will identify topics that are relevant to various age groups, fully understanding some material is better suited for certain age groups. The events can be held during school hours or outside of school hours and may or may not include parents/community members.

***Goal 4: Communication***

**The Warner School District will promote open communication and maintain positive relationships with the community, students, and families of the district.**

**Objective A:**

- Warner School District staff and administration will actively promote and share positive achievements that occur throughout the district. We would look to create a Warner "Shout Out" section on our school website as a focal point to share details.

**Objective B:**

- Warner School Administration will develop and share a story on our digital media platforms that highlight positive involvement with community members/businesses.
