

Lookeba-Sickles Public Schools

Dear Parents/Guardians,

Each year students at several grade levels participate in the Oklahoma State Testing Program (OSTP). If your student has participated in the OSTP scores will be available on the OSTP Parent/Student Portal using the link below.

Information in the OSTP portal showcases your student's performance on the Oklahoma School Testing Program (OSTP) Tests in key academic areas. State test results, when combined with other information (i.e. homework, classwork, report card grades, and local assessments), can help you and the teacher work together to support your student's growth. Your student's state testing identification number (STN) is required to access their scores. If you do not have this number, please contact your student's school.
