Eric Nelson,  
Elementary Principal

Parents/Guardians,

The Mishicot School District has a different approach pertaining to unplanned school closures and student learning. Traditionally as a district, we have been granted one “free” weather day with additional closures resulting in the addition of instructional minutes, or even extending our school year. The addition of 1:1 technology and digital platforms like Seesaw and Schoology have made it easier to access curriculum whether at school or in the comfort of your own home.

Since inclement weather or school closings aren’t always predictable, and not all of our students take devices home each day (4k-3), we have devised an alternate solution to allow our students in those grades the opportunity to have access to school work. Teachers in grades 4K-3 have put together emergency curriculum packets for students to access if we ever needed to cancel school for unforeseen circumstances. We will be sending those home with your children before winter break. Students in grades 4-5 already take devices home, so their learning will be completed using Schoology. Learning in these instances won’t be synchronous (live), but teachers will be available between 8-3pm on closure days if you have any questions. All assignments will be aligned to grade level standards and curriculum. The first weather closure will not require any work from students. However, all school closures following that will be virtual learning days unless otherwise noted. Students are expected to complete all assigned work from teachers or may be marked absent.

Please note that our decision to close the school is made in close consultation with local authorities and is based on the safety of our students and staff. We kindly ask for your understanding and cooperation during these situations.

Thank you for your attention to this matter. We hope for a safe and smooth winter season for everyone. If you have any questions or concerns, please do not hesitate to contact the school office at (920) 755-3155 or via email at [enelson@mishicot.k12.wi.us](mailto:enelson@mishicot.k12.wi.us)

Please feel free to contact me with any questions.

A handwritten signature in black ink that reads 'Eric Nelson'. The signature is fluid and cursive, with the first name 'Eric' being more prominent than the last name 'Nelson'.
