Dear Applicant,

The rental process for the use of school facilities is handled through the Linden Community Education office and requires the completion of an application ten (10) days prior to your event. After authorization of your request you will receive a permit via email. Please carry it with you at all times while you are in your assigned building. If you do not have this permit, the building custodian is under no obligation to allow you access to the facility.

CANCELLATIONS AND SCHOOL CLOSING:

To avoid being charged for unused time, please call us a minimum of 48 hours before your event. If we are not available, please leave your name, the facility you are using and the time. Otherwise, you could be charged. In the event that Linden Community Schools are closed for any reason, please be advised that the buildings will be closed for the remainder of that day. All activities are canceled when schools are closed.
