

Help Lourdes better serve our community

Take the Community Health Needs Survey!

Lourdes is partnering with the Rural Health Network to conduct a Community Health Needs Survey. Your feedback is important and will help us better serve our community, especially those living in rural areas.

The survey takes about 10 minutes to complete and your responses will be kept confidential. You can skip any question you do not want to answer. At the end of the survey, you can choose to be entered in a drawing for a \$20 gas or grocery card.
