## Statement Regarding Recent Incidents

There have been some recent antisemitic incidents experienced in Frankfort Community Unit School District #168 which are disturbing and indefensible. School buildings and grounds are supposed to be places where people from all backgrounds, faiths, and beliefs feel safe and welcome. Such expressions of hatred violate core American values of inclusivity and respect and are unacceptable everywhere. If you are aware of any instances of antisemitism or other acts of discrimination, please report them immediately to District Administrators.
