

Michael Boedo Community Foundation Inc Scholarship Application.

We are a community-minded organization and would like to know what community means to you, for instance how it has helped you become who you are today; and in what ways in which you would like to see our community grow. Please write a 500-word response to each of the following prompts.

A.) What does community mean to you? How will you use your future skills and degree to help the community in which you live?

B.) If you were Silver Creek Schools community engagement Coordinator, what steps would you take to develop relationships with community members off campus? What type of programs would you like to see take place in our community or a future community in which you may live?
