Evergreen School District Grace Kirschner Memorial Scholarship

College Sophomore

The \$1,600 Evergreen Sophomore Scholarship is intended to assist former Evergreen School District students who have moved on to undergraduate studies at a two or four-year college, a vo-tech program, or university. While a variety of scholarship opportunities are available to assist students in their first year of college, financial aid is more limited in the second year. Any student who attended Evergreen School District, and Glacier or Flathead High School, and will be at least a sophomore in college at the beginning of the next academic year may apply. To be considered a sophomore, you must have completed at least two full-time semesters at a post-secondary institution. (Note: students may only apply for this scholarship once during the course of their post-secondary studies).

Scholarship criteria

1. Must be a student from the Evergreen School District who attended Evergreen School District and Glacier or Flathead High School.
2. Must be a full-time student in good academic standing at an accredited technical program, college, or university.
3. Must maintain a 2.5 GPA.

Application requirements

1. All applications must include a cover sheet, which contains a statement of academic goals (100 words or less).
2. Report card for fall semester/quarter of the freshman academic year.
3. Evidence of current college enrollment for the sophomore academic year.
4. Contact information sheet.

Before receiving the award in the fall, students will also be required to provide:

1. An official college transcript through the spring semester/quarter of their freshman year.
