Re: ACGC Inclement Weather Information

Date: 2023/2024 School Year

As a district we are not doing eLearning during the 2023/2024 school year. Instead, the days will either be forgiven or made up on a Monday with students and staff in school. The tentative schedule is below:

- 1st Day- Forgiven for students and will not be made up
- 2nd Day- Made up on Monday per school [calendar](#)
- 3rd Day- Made up on Monday per school [calendar](#)
- 4th Day- Made up on Monday per school [calendar](#)
- 5th Day- Made up on Monday per school [calendar](#)
- 6th Day- Forgiven for students and will not be made up

On an inclement weather day you will receive an email and text from ACGC Public Schools with specific details. The most accurate weather information can be found on our website at www.acgcfalcons.org. Please make sure your [JMC](#) information is up-to-date!

Thank you,
ACGC Public Schools
