P. O. Box 247
1759 West US Highway 69
Emory, Texas 75440-0247

903-473-2222

Laticha Jarrett, R.N. Director of Health Services	#2154
Julie Barlow, Junior High Clinic Aide	#2155
Sonja Joiner, Intermediate School Clinic Aide	#8006
Tabatha Bailey, Elementary School Clinic Aide	#3146

This letter is for students with **chronic illnesses** (including but not limited to diabetes, asthma, anaphylaxis, and seizures) who need medical assistance while at school and/or take prescribed medications or have the possible need for emergency medications while at school.

School policy requires children to have a current **Action Plan** on file, as well as information about current health conditions. Please provide current action plans and documentation for this school year from your child's doctor. *The school needs new forms every school year.* You can find some action plans on the RISD website under "Departments" and then "Health Services," or your doctor can provide a plan for you.

If you have any questions, please feel free to contact me. It is extremely important that we have all the information to keep your child safe and healthy while at school.

Respectfully,

Laticha Jarrett, R.N.
