- MAT in Science Education (Secondary)

Why Earn Your Degree at WGU?

Online and Flexible

Earn a respected degree on your schedule. Study whenever and wherever works best for you while maintaining your existing job and family responsibilities. Your effort, not a semester timetable, determines the pace of your progress.

Accredited and Respected

WGU holds regional accreditation, the highest standard recognized by the U.S. Department of Education. WGU has also been granted both CAEP and AAQEP accreditations for the quality of the programs in our Teachers College.

Faculty Support

While you will do your coursework and even take exams online, you won't be alone. From the first day, you'll have regular, one-to-one support from Faculty Mentors and subject matter experts.
