Job Title: Secondary Science Teacher

Type: Certified

Date Available: 2024-2025 School Year

Qualifications:

- Appropriate teaching credentials (or willingness to work toward credentialing)
- Pass the required Expanded Criminal History Check and Expanded CPS Check

Duties & Responsibilities:

- *The intended courses will focus on Chemistry and Biomedical (Project Lead the Way).*
- Courses could include any secondary science classes.
- Creates a classroom environment that is conducive to learning and appropriate to the maturity and interests of the students.
- Strives to create and maintain a safe and secure learning environment.
- Guides the learning process toward the achievement of curriculum goals and—in harmony with the goals—establishes clear objectives for all lessons, units, projects, and the ability to communicate these objectives to students.
- Employs a variety of instructional techniques and instructional media, consistent with the needs and capabilities of the individuals or student groups involved.
- Maintains accurate, complete, and correct records as required by law, district policy, and administrative regulation.
- Provide timely communication with students and parents regarding student progress.

Salary/Benefits: Per Master Contract
