Courtney Stultz

Welcome and About Me!

My name is Courtney Stultz. I love teaching at Blue River Valley Elementary. I began teaching at BRV in January of 2017. I have enjoyed teaching 5th grade for the past 2 years. I also enjoy helping with Jr. Vikings!

My Education and Professional Background

I received my Bachelor of Science in Elementary Education from Indiana State University in December of 2016. I also have a concentration in reading. I taught in 6th grade my first semester at Blue River until taking a 3rd grade position. I have been teaching 5th grade for the last 2 years.

My Educational Philosophy and Thoughts on Our School

I believe that students need a safe learning environment where they are not afraid to make mistakes. Each student is unique and can bring their own creativity to the classroom. My goal is that each student that leaves my classroom knows everyone has their own unique qualities that can help them succeed in the classroom and achieve their goals in the future.

My Family

I have been married to my husband for 6 years. He is a 2nd grade teacher in Noblesville. We have one cat. I have one brother who lives in Arizona, but the rest of my family is here in Indiana!
