Welcome and About Me!

This is my 7th year of teaching special education. I have previously taught in Muncie before coming to Blue River. I have always and will always be a Viking. I went to school here and am so glad to be a part of this amazing community. I enjoy watching and playing tennis! I am the Jr. High Tennis Coach for BRV. I am married and we raise our 3 nephews. I have 2 dogs (Gus and Opie).

My Education and Professional Background

Undergraduate work at IUPUI, Transition to Teach and Masters of Special Education from Ball State, taught 6 years in self-contained special education classroom before coming to BRV.

My Educational Philosophy and Thoughts on Our School

ALL students are capable of learning. It is just finding the best way to teach all of them that is the key. I love being a Viking. I love the small community and family feel of this school. Everyone helps each other.

My Family
