Kim Hines

Welcome and About Me!

Hi, my name is Kim Hines and this is my second year at BRV. I taught first grade last year and absolutely loved it. The staff here was so welcoming and I appreciated everything and everyone here. This year I began as one our Reading Interventionist, and I am currently teaching 3rd grade until Ms. Raines returns. Again, I really appreciated the great team here at BRV.

My Education and Professional Background

I graduated with my undergraduate and graduate degree from Ball State University. Over my 20+ years of teaching I have hosted many student teachers and participated in a variety of Professional Developments. My most recent includes a Literacy Specialist from Ball State in May of 2021.

My Educational Philosophy and Thoughts on Our School

There are so many ways children learn and view the world around them. It is our job as educators to help all children along their path to help them grow and be the best version of themselves throughout their lives. BRV does an excellent job meeting students where they are at and helping them to grow in all aspects of daily life.

My Family

I am so very blessed with 4 grown children and a special 4 year old grandson who has taught me so much in his short life. I am very grateful for my extended family and friends who I call family as well!!!
